## 2024 NPS ENTRY CATEGORIES

When submitting your entries to the [CallForEntry.org](https://CallForEntry.org) (CaFE) website (see instructions below), please choose the category that fits each of your images the best. In response to photographer feedback, category options this year are once again **entirely based on the subject of the image**. There are separate Color and Black & White/Monochrome options in each of the 4 major categories. Digitally modified images (e.g., composites, HDR, focus stacking, addition of textures, etc.) ARE allowed in each category, as are images that might be considered as "Still Life" or "Abstract". **No AI-generated images are allowed**. Note that LAA reserves the right to change the entered category, in which case you will be notified. LAA also may ask for original RAW/source image files. Use the Category Name codes given below:

1) **People** Images of people including individual portraits, group photos or photos where a person or persons are the **main subject** in the photo. Note that people in a photo where they are a minor component should not be entered in this category. For Color images: **Category Name - PC**. For Black & White/Monochrome images: **Category Name - PM**.

2) **Animals & Wildlife** Images of domesticated animals or animals in the wild, either individual animals or groups of animals or photos where the **main subject** is the animal(s). For Color images: **Category Name - AWC**. For Black & White/Monochrome images: **Category Name - AWM**.

3) **Nature Created** This category includes landscapes, waterfalls, rivers and natural habitat flora where nature is the main subject of the photo. This can include macro images. For Color images: **Category Name - NCC**. For Black & White/Monochrome images: **Category Name - NCM**.

4) **Human Made** Images of architecture, city/botanic gardens, street scenes, cars, trucks, bridges, etc., where human-created objects are the main subject of the photo. This can include macro images. **Category Name - HMC**. For Black & White/Monochrome images: **Category Name - HMM**.

### THE JUDGE – Jennifer Renwick

Jennifer is a full-time nature photographer based in Golden, Colorado. She travels the American West in a travel trailer with her partner, fellow photographer David Kingham, teaching photography workshops in various national parks and wilderness areas. While photographing the landscape, she is particularly interested in photographing natural abstracts and smaller scenes. She extends her photography passion to her students by teaching visual storytelling, slowing down in the field to connect with their subjects from behind their lenses, and expressing themselves through their imagery.

Her work has been featured in various photography magazines, including *Outdoor Photographer*, *Landscape Photography Magazine*, *On Landscape*, *LensWork*, and *Lenswork's "Seeing in Sixes"* photography books.

## RULES OF PARTICIPATION

- ALL work must be the original work of the photographer and executed in a professional manner. **Work accepted in previous LAA National shows will NOT be accepted.**
- **Digital entries only** – all images should be in .jpg format and at least 1200 pixels along the longest edge. The CallForEntry.org (CaFE) image specs have recently been updated, allowing larger-sized images to be uploaded (and our juror will view the images at the uploaded size). However, the image file size must be less than 5 megabytes. See updated image prep details at <https://www.callforentry.org/preparing-your-image-files-for-upload>.
- DO NOT Watermark your images.
- The submitted art price must include all your preparation costs (e.g. framing cost, etc.). **No changes will be made from the CallForEntry.org (CaFE) price** listed on your entry. Every year, we get requests to make exceptions to this policy. **Entering this show signifies agreement with this requirement.**
- The finished external size limit is 48 inches on the longest side.
- **Work must be suitable for a general audience of all ages**, e.g., no frontal nudity. The LAA reserves the right to reject any photograph that is not deemed to be appropriate.
- **Entry fees are non-refundable.** The fee for the first three pieces is \$45 and \$10 for each additional entry. Limit of 6 entries per person. Note that a maximum of 3 pieces will be accepted from any individual artist.
- If your work is selected by the judge for the juried show, in addition to your accepted piece(s) you may display any or all of the following (collectively called “Bin Work”) :
  - Up to 5 pieces of matted and unframed bin work (max size of 36” on long edge, no metal prints, canvas prints or any piece thicker than 3/8”)
  - 5 boxes of greeting or note cards
  - 10 individual cards (wrapped for individual sale)
- **All sales will be conducted by the LAA and a 25% commission is charged on all work sold.**  
**This means that if a piece of juried-in art or bin art is priced at \$100 and sold, the artist will receive \$75 and LAA will receive \$25 in commission fees. Please make sure to price your juried-in art and bin art accordingly. Prices cannot be changed after acceptance.**

- ALL ACCEPTED PHOTOGRAPHY AND BIN WORK, must be clearly labeled with the photographer's name, item name, and price. You MUST submit a completed inventory sheet for all work. A blank inventory sheet will be sent with the acceptance letter. Such work is to be shipped or hand-delivered per the same deadline as the juried-in work. Shipped work MUST CONTAIN PRE-PAID POSTAGE and PAPERWORK for return shipping. If the postage and paperwork is not contained, your work will NOT be considered. **Shipping: Artwork must be shipped in strong, reusable cartons or crates with no free-floating Styrofoam popcorn packing. Glass is not acceptable for any shipped work.**
- All exhibition work must be properly framed, wired and otherwise ready to hang. **NO SAWTOOTH HANGERS, NO EXPOSED EDGES and NO CLEATS. Work not properly framed or damaged in shipment will not be hung or judged.**
- **PARTICIPANT'S WAIVER:** Submission of work automatically waives any claim for damage or loss against the Louisville Art Association, including the officers, members and employees. Submission allows LAA to use images in promotional material, with credit given to the photographer.
- **DO NOT MAIL OR SHIP ANYTHING TO THE CENTER FOR THE ARTS!!!**
